

Lee County Master Gardeners Association Native Azalea Sale

Saturday, April 2, 2022 Corner of Glenn and East University
8 AM -Noon (or until all plants are sold)

Plants will be arranged by blooming season and color. Customers will be able to browse the selection, ask questions, and select plants. Planting information will be available.

This year, plants will be available in 3-gal. and 1-gal. sizes; for \$24 and \$12, respectively. A good variety of species and varieties of native azaleas will be available, representing a range of bloom times and colors, including the following:

Please note that not all varieties will be available in both 1 and 3-gal sizes.

When you are ready to purchase, let our volunteers know and your azaleas will be loaded in your vehicle. We will be accepting checks made to LCMGA or credit cards.

Name _____ Total owed _____

Thank you for supporting our sale. The profits from our sale help us to maintain our demonstration gardens and give grants and scholarships.
