LCMGA Announcements

Thank You from 4H History Seekers

Once again, the funds that you provide to our group via The Master Gardener Chuck Browne Award continue to keep on giving. Those funds were used to purchase the sweet potato slips that were planted in the Crops Garden at Pioneer Park that served to educate the 1000s of visiting public during Pioneer Day, and that contributed to the sales that resulted in the offering provided by the 4h History Seekers for The Community Market. As you can see below, we donated 40 hours and \$1,280.00 as a result. It's a group of Auburn youth that you should be proud of supporting.

And, as an additional aside ... Our "Back in Time" Historical Holiday Celebration turned out to be a success! The months of preparation seemed to pay off. We entertained 75 guests in the historic buildings of Pioneer Park on the evening of December 9th, including some Master Gardener supporters, and our guests of honor, Chuck and Cathy Browne. A period appropriate dinner was served by our 4H members and assisting adults ... we were all decked-out in period costumes. Everyone seemed to embrace the fun and myriad of educational opportunities afforded through the event. We managed to involve youth within and outside of 4H, 4H parents, adults not previously involved with 4H, local business leaders, Auburn City Schools and Auburn University educators. It turned out to be a wonderful learning experience for all those involved! In addition, as of our last accounting, it showed that we had earned \$3,450.00 for The Lee County Historical Society.

Many thanks for the continued support of The Lee County Master Gardeners!

4H History Seekers Parent Advisor

The 4H History Seekers made their annual donation to The Community Market on December 21st. Working together, they donated 40 community service hours to help prepare and stock the shelves for holiday grocery shoppers, and presented \$1,286.80 to coordinator Ms. Elsie Lott on behalf of the 4H History Seekers and Lee County Historical Society.

The money donated was primarily earned by club members from their sale of sweet potatoes, heirloom poppy seeds and corn swags during Pioneer Day at Pioneer Park in October.
